

SEVILLE · SPAIN

14-17 June 2027

Where silicon meets intelligence

International Conference on Synthesis, Modeling, Analysis and Simulation Methods and Applications to Circuit Design

SPONSORSHIP & INDUSTRY PARTNERSHIP PROSPECTUS

Reach the community that designs, models and automates analog, RF and mixed-signal ICs

SMACD brings together researchers, design engineers, EDA developers and semiconductor companies around methods and tools for IC design — with a strong focus on AI-assisted design automation, open-source flows, hardware security and reliable electronics. Proceedings are published in IEEE Xplore, with technical co-sponsorship by IEEE, IEEE CAS and IEEE CEDA.

Open-source design challenge

1

student design competition

4 days

of technical program

WHY SPONSOR

1

Recruit

Post vacancies on SMACD Careers, access the CVs of MSc and PhD candidates and interview them on site.

2

Showcase

Present your tools, IP and technologies in the Industrial Session and at your exhibition booth, open throughout the conference.

3

Lead

Put your name on the Gala Dinner, an award or a competition prize, and be seen backing Europe's IC design ecosystem.

FLAGSHIP COMPETITION

EDA Competition

MSc and PhD students compete with new methods, flows and tools for IC design automation — the EDA engineers you will want to hire.

NEW IN 2027

Open-Source Design Challenge

Teams design real circuits with open-source tools and PDKs. Sponsor a prize and put your brand on the next generation of silicon.

PREVIOUS SMACD PATRONS INCLUDE

Allegro · Altair · ams OSRAM · Analog Devices · Ansys · ASIC Centrum · Bosch · Cadence · Coilcraft · Europractice · Google · Hetia · Huawei · Infineon · InvenSense · Inventvm · Kenotom · MDPI · Melexis · Micron · Mouser · MPS · NXP · onsemi · Optitelcab · Photeo · Power Integrations · Qualcomm · Renesas (Dialog) · River Publishers · S3 Semiconductors · SiliconGate · Springer · STMicroelectronics · Synopsys · TDK · Teledyne LeCroy · Texas Instruments · X-FAB

Sponsorship packages

Prices exclude VAT, which will be applied where legally required.

	SILVER €1,500 Be present	GOLD €3,000 Present & recruit	STRATEGIC PARTNER €6,000 Lead the conference
All packages: thanks at the Opening & Closing ceremonies, and one exhibition space per company.			
Full conference registrations	1	2	3
Exhibition booth / table	Standard	Standard	First choice of location
Logo on website & signage	Small	Medium	Large + homepage
Talk in the Industrial Session*	—	10 min	20 min
Sponsored tutorial (60-90 min)	—	Add-on (€2,500)	✓
Vacancies on SMACD Careers	✓	✓	✓
CV access + on-site interview room	—	✓	✓
Social event co-sponsor (signage)	—	Welcome Reception	Gala Dinner + 2 guests
Ad in the Final Program	—	Half page	Full page
Dedicated emails (sent by SMACD)	—	1 to attendees	1 to full mailing list + 1 to attendees
Social media & newsletter	Sponsor roll	Joint post	Dedicated post
Logo on every attendee badge	—	—	✓

Packages are not cumulative: one per company. Extra registrations at the standard rate. Booths assigned in order of confirmation, Strategic Partners first. *Also open to students who submit a CV via SMACD Careers (page 3).

FOR RESEARCH PROJECTS & INITIATIVES

Project & Initiative Partner

€2,500

For Horizon Europe, Chips JU and national projects, research networks and open-source initiatives.

Places limited to 6 projects

Your own session at SMACD 2027. A dedicated Project & Initiative session where each partner project presents its work in 15 minutes. Partners also join the two SMACD 2027 panels: *The future of the semiconductor and EDA industries in Europe and beyond*, and *The impact of AI on the semiconductor and EDA communities*.

- ✓ 15-minute presentation in the Project & Initiative session
- ✓ 1 full conference registration
- ✓ Roll-up and flyers at the venue
- ✓ A seat on the two SMACD 2027 panels
- ✓ Logo and profile on the website and in the Final Program
- ✓ Projects announced to the full SMACD mailing list

A ready-made dissemination action for your project's reporting. Places are allocated in order of confirmation.

Careers, add-ons & how to sponsor

SMACD Careers

Meet the next generation of IC designers

1 Call for CVs

Well before the conference, SMACD invites its full mailing list, and students in relevant fields at the Universidad de Sevilla, to submit their CVs.

2 Vacancies online

All sponsors (Silver, Gold and Strategic Partner) publish their open positions on a dedicated Careers page of the SMACD website.

3 CVs & interviews

Gold and Strategic Partners access the submitted CVs and hold face-to-face interviews in a dedicated room at the venue.

Your talk reaches every candidate: the Industrial Session is open to all students who submit a CV, whether or not they attend SMACD. CVs are shared only with the candidates' consent, given when they submit.

ADD-ONS · ON THEIR OWN OR WITH ANY PACKAGE

EDA Competition Prize

Your name on the prize, handed over on stage **€1,000**

Open-Source Prize

Back the winning open-source design team **€1,000**

Best Paper Award

Or Best Student Paper Award **€1,000**

Conference lanyards

Exclusive: worn by every attendee **€1,000**

Coffee break

Per break, with signage at the station **€1,500**

Student Travel Grant

Per grant, named after your company **€500**

Sponsored tutorial / hands-on session (60-90 min)

€2,500

Teach your tool, PDK or design flow to a room of engineers, within the tutorials programme. Content approved by the Tutorials Chair. Included for Strategic Partners.

Something else in mind? We design tailored partnerships — just ask.

How to sponsor

1. Choose your package and add-ons.
2. Contact the Industrial Liaison Chair.

Confirm by May 1 2027 to appear in all printed materials.

Good to know

- Prices exclude VAT, which will be applied where legally required.
- Payment within 30 days of the invoice date.
- Sponsor emails are sent by SMACD on your behalf, only to people who opted in. Attendee data is never shared.
- Sponsors supply their own roll-ups, flyers, giveaways and lanyards; production and shipping are not included.
